<b>V. HOMEOWNER AFFIDAVIT</b>			
<p>I hereby certify that the electrical work described on this permit application shall be installed <b>by myself in my own home</b> in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Residential Code and <b>shall not be enclosed, covered up, or put into operation</b> until it has been <b>inspected</b> and <b>approved</b> by the Oakland Township Electrical Inspector. I will cooperate with the Oakland Township Electrical Inspector and assume the responsibility to arrange for the necessary inspections.</p>			

**GENERAL:** Electrical work shall not be started until the application for permit has been filed with the Oakland Township Building Department. All installations shall be in conformance with the Michigan Electrical or Residential Code. No work shall be concealed until it has been inspected.

**EXPIRATION OF PERMIT:** A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be closed when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Closed permits cannot be refunded or reinstated.

**Mobile Home Unit Site:** When installing a site service in a park, the permit application must include the base fee, service, plus the number of park sites. When setting a HUD mobile home in a park, a permit must include the application fee and a feeder. This shall be done by a licensed electrical contractor. When setting a HUD mobile home or a pre-manufactured home on private property, a permit must include the application fee, service, and feeder.
